Dear Honorable Judge Abrams;

I respectfully write too you about my FRP payment. I sent you a letter on or about (8/30/2024) requesting that my BOP account be refunded in the amount of \$300.00 dollars that I over paid! I am not sure if you even got that letter? Please let me know you got this letter.

Your Honor,

I do not no what to do at this point about my personal property that had nothing to do with the case at hand. My previous attys (David and Jeremy) told me they contacted (on several occasions) the govt about my personal property that had nothing to do with this case to have it returned back to my family, I have contacted my (old) attys and they told me now, there is nothing that can do at this point about my property, I never got a complete list or inventory (from them) of what all was taken from me, but my family (Mom and Dad) told me they took many, many boxes from our home, I know that the govt took. I was told the govt took all my paper work, my living trust, bills, pictures all my electronics, (phones, computers, tablet, iPad, mp3, etc) firearms (the ATF is still holding (I believe) 4 things, 2 firearms and 2 suppressors)(in that paper work is the federal tax stamps for the suppressors) that are all 100% legally owned, I did all the class 3 paper work on them, the federal tax stamps, can you please help me get all my property returned to my family?

Thank you so much for your help.

With Respect
Adam Samia

I hope this finds you and your family doing well, and have a great holiday season!
